Offering – The Power of Life

To understand Jesus' sacrifice, we must learn not only from his death but from his life. Jesus sacrificed his time, his presence, his understanding, and his forgiveness. He used his power to heal, feed, and teach the good news. We too have this power of life, and our offerings each week – financial and otherwise – should reflect that. When we sing the Doxology in worship each week, we praise God for the blessings we have received through Jesus. When we set our hearts on what God has given to us, we become aware of what we must offer in the name of Christ.
