Footprints in the Sand

I dreamed I was walking along
the beach with the Lord, and
across the sky flashed scenes
from my life. For each scene I
noticed two sets of footprints in
the sand; One belonged to me, and
the other to the Lord. When the last
scene of my life flashed before us, I
looked back at the footprints in the sand.
I noticed that many times along the path of
my life, There was only one set of footprints.

I also noticed that it happened at the very lowest and saddest
times in my life. This really bothered me, and I questioned the Lord
about it. "Lord, you said that once I decided to follow you, You would walk
with me all the way; But I have noticed that during the most troublesome times in
my life, there is only one set of footprints. I don't understand why in times when I
needed you the most, you should leave me."

The Lord replied, "My precious, precious child. I love you, and I would never, never
leave you during your times of trial and suffering. When you saw only one set of
footprints, it was then that I carried you.
