Masks & Other Safety Precautions

On 10/17/2021, the congregation voted on whether worshipers should have the option to wear masks based on personal preference. Since the vote was not unanimous, those who are able will continue to wear masks in worship. ***Worshipers who have difficulty breathing or other health issues that would make mask-wearing difficult are exempt from this requirement.*** Sixth Street Christian Church has a NO SHAMING POLICY about mask-wearing. If you see someone without a mask, assume the best!

In addition to wearing masks (as able), we will continue following the recommendations of the Indiana Region of the Christian Church (Disciples of Christ), which include taking **personal servings of communion elements** which you will pick up as you enter the sanctuary and asking worshipers to place their **offerings** in a nearby basket or mailing them to the church.

Thank you for your understanding and for your willingness to protect the vulnerable!
