Hello friends!

It's almost summer and I am so excited! The weather is turning warmer and the beauty of nature is sprouting everywhere around us. I encourage you to think about what this new life inspires in you... have you been thinking about picking up a hobby? Do it! Have you been trying and failing to begin a more fulfilling prayer life? Do it! The possibilities are endless. We have everything we need within us, so whatever you are pondering... Do it!

We have some exciting stuff happening. My prayer for this summer is that we use the events at our church to encourage friends and family to come and join us so that more people see the warmth that is not just outside in the sun, but within our walls and our hearts.

With Blessings and Love
Pastor Charissa
